THE GREATEST Towel Sale OF THE TIMES

COTTON, LINEN AND TURKISH TOWELS

Our prices are always the lowest. This week,—this week only—there's going to be lower than ever, because we struck such a towel bargain that we can afford to sell a long way below any other store in Honolulu.

DOLE'S URGENT PLEA

SUPREME COURT ASKED TO CONVENE AT ONCE

Attorney General Says Exigency in
Matter of Constitution and Flag
Requires an Immediate
Session.

Attorney General Dole has made an urgent plea to the Supreme Court for a special session. He enumerates the prisoners who were convicted of infamous crimes between August 12, 1898 and June 14, 1900, and says:

"I think it is my plain duty to do all I lawfully can to prevent these criminals (and there are two or three cases of outrage far worse than ordinary murders in the first degree) from being turned loose on the community."

"As I understand the recent decisions of the Supreme Court of the United States, the questions raised and passed upon by the Second Judge of the First Circuit Court were not directly adjudicated by the Supreme Court of the United States. It seems to me that it is still an open question whether the first ten amendments to the Constitution of the United States were extended to these islands by the Newlands Resolution or by the Organic Act. I am not aware that any phase of this question has been passed upon by the Supreme Court of the United States."
